

The DSWA Executive Forum on Growing Your Business

*This edition is a open forum
designed to explore a timely topic:
how do we stay focused on growth
in this economy?*

*How do we stay focused on growth
in this economy?*

The core questions for discussion are:

- Are there opportunities for us to join in the spirit represented by Hyundai's guarantee for the economically challenged?
- Are there nontraditional networking opportunities available? How/where can we find the newly concerned?
- What other markets could we be exploring?
- What are some supply chain opportunities?

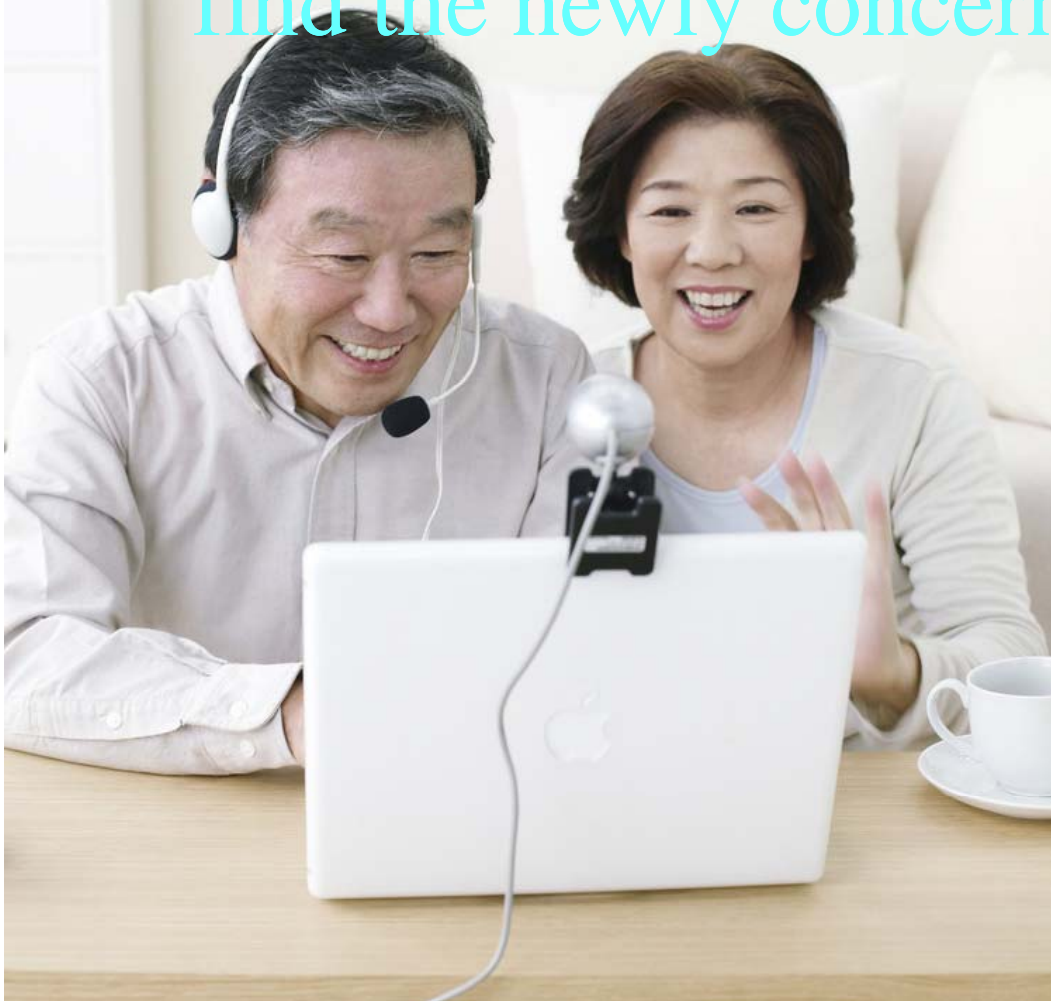

Other possibilities?

Are there opportunities for us to join in the spirit represented by Hyundai's guarantee for the economically challenged?

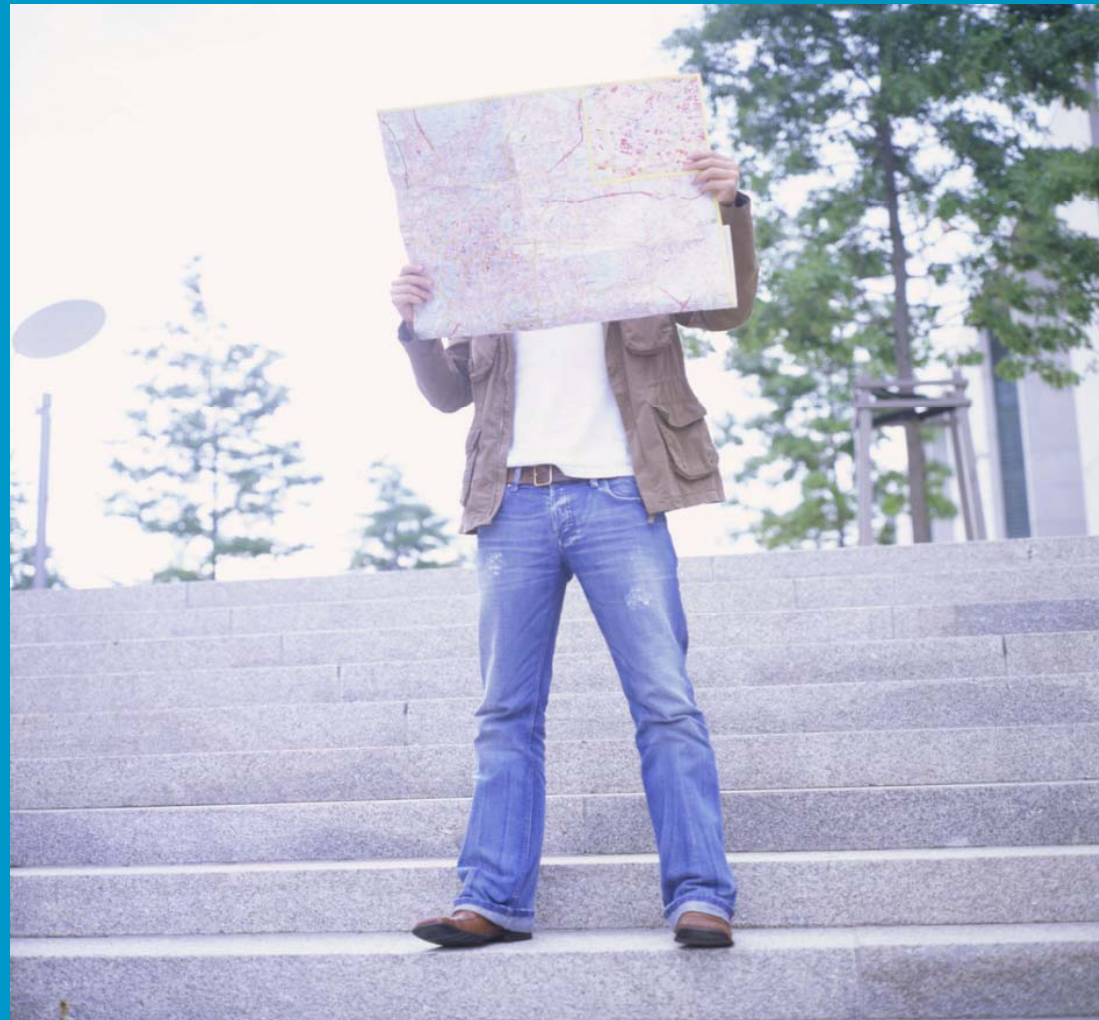

Are there nontraditional networking opportunities available? How/where can we find the newly concerned?

**What other markets
could we be
exploring?**

What are some supply chain opportunities?

Other possibilities?

Here's to your success!
